Heavy Duty Roller Tray

- SPACE-AGE BEARINGS
- ROLLS FOREVER

169.00 each

ROLLER TRAY:

Designed to allow the rolling out of any width material up to 150 lbs. The user can unroll or re-roll material without any effort and eliminates the possibility of any material damage. It can also be used as roll feed roller for sprocketed and non-sprocketed drum cutter/plotters.

Snap Poster Frames

1" Aluminum Profile
 EZ-change poster frames allow for quick change of your graphics and messages. EZ-change aluminum frames feature snap system extrusion for front mounting and ease of use. To change graphics, simply snap open all four sides and place graphic behind the clear protective sheet. Once you've snapped down the edges, the graphics are ready to be displayed.

"Chrome Plated" Wall Mount Material Rack

85.00 each

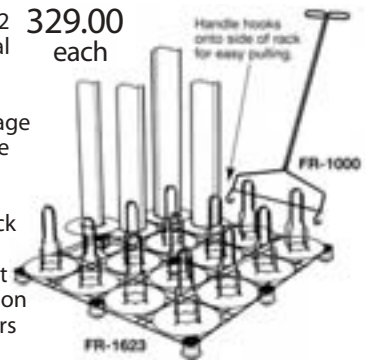

Heavy gauge wire constructed rack holds 16 rolls of 3 inch core diameter material without using valuable floor space. This rack is durable enough to hold up to 16 rolls of 30 inch x 50 yard material with ease. Proper storage of pressure sensitive materials dictate supporting rolls by the core to avoid adhesive activation. Included are adjustable screw mounting clips, allowing alignment with studs in most walls. Holds up to 30 inch x 50 yards material.

"Chrome Plated" Floor Rack

329.00 each

Made of heavy gauge wire and constructed to hold 16 rolls of 2 or 3 inch core diameter material up to 1,000 lbs. Rack is durable enough to hold 72 inch wide material with ease. Proper storage of wide format materials dictate supporting rolls by the core to avoid damaging the special coating on the roll face. The rack comes with 16 high impact protective plastic rings to prevent material damage while storing on rack. Unit has 9 ball caster rollers to allow easy movement when fully loaded.

Heavy gauge wire portable, attachable handle (FR-1000) that allows easy pulling and relocation of FR-1623 material floor rack.

FLOOR RACK For Vinyl Rolls
