

SIGN MAKING PAINTS

Bulletin Colours

BULLETIN COLOURS are ideal for use on signs and billboards where a full gloss finish is desired. Single coat coverage, fast dry, fast cut in, extreme high gloss and pure colour clarity produce a dazzling finished product. They are formulated as a solvent based enamel for superior durability, workability and easy application on large areas and/or rough surfaces such as billboards or masonry walls. The Bulletin Colours may be brushed, rolled or sprayed to a smooth, glass-like finish.

Poster Colours

ART AND SIGN POSTER COLOURS are flat oil based paints, which are waterproof, free flowing and self-leveling, will seal porous surfaces, have excellent hiding power and will not wrinkle paper. These products are designed for interior and short-term exterior use on paper, cardboard, muslin, stretched canvas, wood, masonite, metal or glass (not for use on windshields.) They are intended for use by commercial artists and show card writers for displays, designs, backgrounds and accents.

CHROMATIC® WHITE Background Enamels

BACKGROUND ENAMELS are ideal for sign backgrounds where speed of dry is of critical importance. Historically designed for the "on-the-road billboard painter" who would apply the background colour and immediately begin to cut in copy. This fast dry material has found a place in sign shops where production speed is a high priority. This high gloss enamel is suitable for brush, spray, or roll and will air dry in 15 mins. to 2 hrs. **# 8101 WHITE - GAL. 75.35**

KRYLON® SPRAY PAINTS

Fast drying, easy to apply, self-levelling and run resistant. Krylon sprays are available in a wide range of colours. Krylon sprays are used extensively on vinyl graphics.
