It's All Here: An Advanced Table Top Press For Precision Hand Printing Performance

Screen-Eze™ PROFESSIONAL TABLE TOP SCREEN PRINTER

A.W.T.'s versatile Screen-Eze table top screen printing press is engineered for quality hand-printing. Suitable for short-run decals, labels, 3-D OEM parts, membrane switches, compact disks, binders, and ad specialties, this precision machine is loaded with performance features. Horizontal screen lift provides optimum ink control, while the lock-in head assures exact registration for multi-color jobs. Adjustable off-contact provides additional control over print quality and allows dimensional printing. Adjustable side frame clamps support screen frames to ensure registration repeatability. And the all-aluminum vacuum table means hand printing can deliver the same quality as a flatbed press.

Standard Features

- Horizontal screen lift with adjustable tension
- Eccentric roller bearings lock-in printing head
- Micro-registration system
- All-Aluminum vacuum bed
- Adjustable off-contact
- Vacuum table leveling system
- Side clamps for maximum screen frame support

Optional Features

- Oversized frame holders
- Disappearing registration guides
- Larger vacuum bed

Cat. No.	Description	Max. Print Area	Max. Frame	Price
