

# FOR POSITIVES & OVERLAYS

# KIMODESK

## DIRECT TO SCREEN FILM

Make screen positives without the need for cameras, processors or chemistry. Simply create the artwork on your computer and print the positives with "Kimodesk" in your laser printer.

**Key benefits include:**

- .003 Polyester base imparts dimensional stability & heat resistance.
- Both sides printable with anti-static properties.
- Excellent Toner adhesion.

**NOTE:** Kimoto "Silkjet" sheets also available on special order, for making positives through an Inkjet printer.
