# SEAL PRINT SHIELD

## ANTI-GRAFFITI LAMINATE FILM

### Print Shield® Anti-Graffiti Wins Product of the Year at SGIA Expo

This product safeguards prints which may become vulnerable to graffiti by making them washable and resistant to a very large number of detergents and solvents. Print Shield consists of a high performance PCTFE film which protects images printed on UV or solvent inkjet printers from a wide variety of stains and chemicals such as paint, permanent marker, and acrylics

Key benefits include maintaining a long lasting professional look while being easy to clean with common economical cleaners. The PCTFE film measures only 1 mil and is completely stain, flame, and chemical resistant, as well as plasticizer and stabilizer free.

Print Shield offers the highest moisture barrier of any clear flexible film adding to the features that give it true protection against graffiti; unlike anything else in today's digital print and finishing market.

Applications include rigid indoor and outdoor displays, outdoor signage, wall murals, point of purchase/tradeshows displays, window graphics, and backlit signs. Designed to be used with inks that have long light-fastness, it is an extremely durable film with an estimated outdoor life of more than seven years (with non-immersed

## PRINT SHIELD® BASE TEXTURED MATTE LAMINATING FILM

### Print Shield® Base Textured Matte

Print Shield Base Textured Matte is a cost effective, 3mil vinyl over-laminate specifically designed to offer outstanding protection against dirt, moisture and abrasion. Its fine sand texture gives it a semi-matte finish that will reduce glare from direct lighting, making it an excellent choice for brightly lit trade show graphics and roll up banner stand applications. Print Shield Base Textured Matte is suitable for both indoor & outdoor applications.

# ROLL-UP BANNER

The **Roll-Up Banner** is a cost effective system for short term signage or promotions. It is designed with a reinforced fitting for the pole to ensure the display stands straight - no tilting or leaning.

The top panel profile clamps the media securely in place without the need for adhesive strips and the pole attaches to the top panel from behind with no unsightly hook hanging on top of the graphic.

The included carrying bag unzips lengthwise for greater ease and has extra padding over its entire length to ensure the display stays looking great.
