

Special Effect Film 24" wide

SMF's Special Effect Film line is a line of metalized vinyl films. These films print beautifully when using thermal transfer ribbons, screen inks, or solvent/eco-solvent inks. These Special Effect Films have an outdoor durability of up to 5 years.

Due to variances in computer monitor displays, colours shown are only our best representation.

For true colour match, please email or phone for a copy of our SMF colour guide.
